A contemporary take on a classic window covering, our locally made Veri Shades® combine the versatility of a Blind with the elegance of a Sheer Curtain.

Our revitalised fabric collection offers a range of colours to suit both modern and traditional interiors, also providing a balance of style, durability and child safety with simple blade rotation.

Featuring the premium Edge Vertical Track system and soft Veri Shades® fabric, the new Veri Shades® collection provides the perfect balance of style, durability and child safety features to complement any home interior style and living needs.

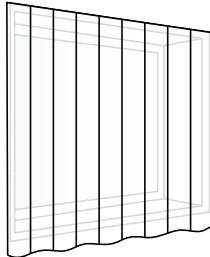

+ Unique design - individually curved fabric vanes feature an alternating light filtering + room darkening fabric panel

- + High quality fabrics to suit any look
- + Custom made to fit any window
- + Stringent quality control + testing
- + Child + pet safe controls
- + Practical + neat finish
- + Smooth + quiet operation
- + Easy maintenance

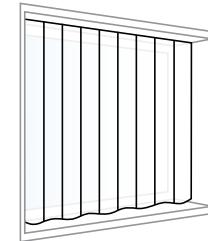

1 select install options

Take advantage of beautiful light control with our Veri Shades®. The soft vertical fabric provides daytime privacy whilst allowing a soft view through. Easily adjust the level of privacy and light to suit your requirements by rotating the fabric vanes halfway. To block light, close the shades completely.

FACE / ARC FIT

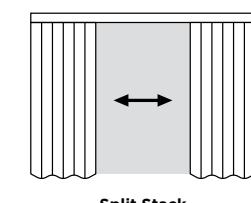

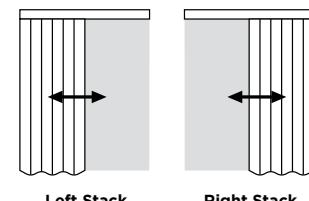

RECESS FIT

- ⊕ Veri Shades® installed on window frame (arc) or wall
- ⊕ Improves blockout of light + privacy
- ⊕ When pulled across allows you to maximise your views + the natural light entering into your home
- ⊕ Ideal choice if installing our Veri Shades® by itself on your window
- ⊕ Ideal choice if using on a doorway
- ⊕ Face fitting allows you to fully stack back the blades and if there is room either side of the window the blades can be taken past the window to maximise your view

STACKING OPTIONS

Made from 100% polyester, our Veri Shades® fabric offers durable properties such as fade resistance and Ultra Violet (UV) protection to help preserve the fabric and home furnishings from fading.

3 select control type

Featuring the Australian designed and developed Edge Vertical System, our Veri Shades® offer a premium hardware and operating system for ultimate performance, durability and smooth control.

Available with two operating options: Chain and Cord or Traversing Wand, our Veri Shades® fabric can be easily tilted with option to stack to the left, right or split stack for an unobstructed view.

TRAVERSING WAND OPERATION

CHAIN + CORD OPERATED

- ⊕ Child + Pet safe
- ⊕ Easy to use
- ⊕ Glide wand across track to open or close
- ⊕ Twist wand to tilt fabric
- ⊕ Smooth, effortless + quiet operation
- ⊕ Available for left + right stack only

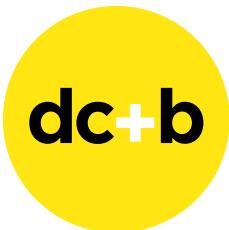

- ⊕ Heavy duty chain + cord
- ⊕ Beaded chain allows you to rotate the fabric vanes to the desired position
- ⊕ Cord can be used to stack the shade
- ⊕ Smooth, effortless + quiet operation
- ⊕ Available in left, right and split stack

4 select finish

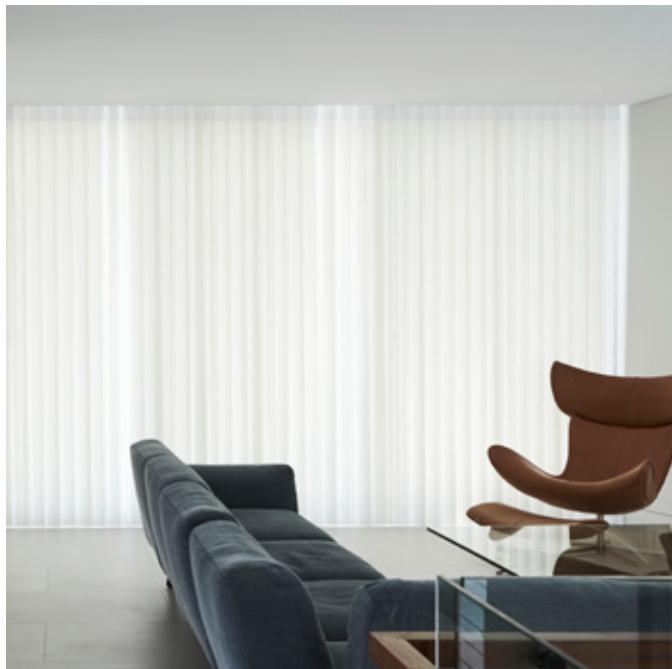

Seamless colour coordination between fabric and hardware for a cohesive interior look. A modern headrail design is available in various designer colours.
